

WORLD BIOENERGY 2012

We are delighted to share with you that our **CEO & MD Mr. Aditya Handa** was chosen by the **World Bioenergy Association** as one of six nominees for the **World BioEnergy Award**.

The World Bioenergy Association works for fair distribution of the global resources of biomass for energy and acts as a strong voice representing the global bioenergy sector. The award has been instituted to recognize outstanding contribution to the field of Bioenergy globally.

Mr. Handa is the driving force behind the Abellon Group, and was nominated for his role in establishing bioenergy as a sustainable energy source, as well as contributing to nation building especially in emerging economies such as India and Ghana.

The event was organized in Jönköping, Sweden on 29-31 May. It was attended by business leaders, delegates and other key people from all over the world. Mr. Dhaval Parmar (Head- Finance) attended the event on behalf of Mr. Handa.

The nomination is an indicator of the role that Abellon is taking at the forefront of Bioenergy development in India and internationally, and an honour for Mr. Handa and the company.
